

Children Helping Children!

Dear friends,

First, we want to thank you for your continued support of Wells 4 Wellness. Because of you, we are able to give clean water to those in Niger, Africa! Currently, we are raising funds to drill a well at a school in Niamey, Africa. We have been in contact with the schools in our community to help raise funds and also awareness on the needs in Africa. This is allowing children to literally help children!

If you would like to get your school involved, email wells4wellness@gmail.com

Results of wells in schools!

The pictures to your left show the difference a simple well can make. The picture above is a school in Niger that has no clean water, while the picture below shows how much the kids thrive when there is clean, drinking water available. The smiles on their faces are because of those of you who give and pray so faithfully! I am so excited to bring even more happiness to these students with a well for their schools this year!

Help fund this well by [clicking here!](#)

You are invited!

Event: Children helping Children

When: May 7th, 2021

Time: 5:30-7:30

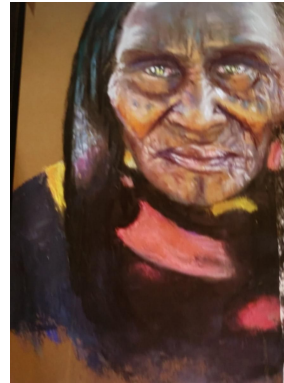

**Where: Beréskin Gallery & Art Academy
2967 State Street, Bettendorf, Iowa**

There will be opportunities to give at this event, but you will also get to see the amazing artwork from Pat Beréskin's students inspired by the pictures that Willie Herath took in Niger. Not only that, but we will be showing our short documentary film, "Bottom of the List" in the lower level gallery.

Shown below are glimpses of what talent you will see at this event.

This is a Photograph taken of a lady who is the wife of the chief from a desert village of Pundu Duba.

This is a pastel work done by Joni Davis in the Beréskin Gallery in Bettendorf Iowa.

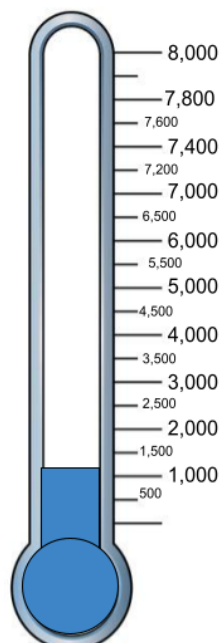

***Per Beréskin Gallery & Art Academy COVID policy, masks are required. If you are bringing a large group, please call and make a reservation.**

Pennies for wells!

Some of the students from my church donated pennies from their piggy bank to help fund these wells! Just another example of children helping children... right here in the Quad Cities!

Where are the funds going and how do you get it there?

GOAL!

Our goal is to raise \$8,000

This not only provides a school with well, but also the necessities listed below:

1. water tower
2. solar panel
3. solar pump

So, how can you give? Well, as always you can give by sending a check or cash through mail to the address listed on the bottom of the page, or you can click the link down below.

Raise the thermometer by giving here!
