

Start your Mother's Day weekend off with a peaceful night
at the Beréskin Gallery & Art Academy!
Wells 4 Wellness will be showcasing a few of the photos taken in Niger, Africa!

Come on by the Beréskin
Gallery & Art Academy on **May
7th, starting at 5:30!**

Pat Beréskin (owner and artist) had her students experiment with portraits through the photos Willie Herath took in Niger, Africa. The results were extraordinary and they will be shown at this wonderful event! Stop by to see these amazing photos and a viewing of our documentary, "Bottom of the List".

**We will be accepting donations
to help fund the well for the
school in Niamey, Africa.**

Mothers in Africa

Take a look at what the mothers in
Niger do every single day with
their children by their side. They

walk miles upon miles just to get **contaminated** water.
Because of your giving, they get to live life more abundantly... by walking only a few steps to the nearest well with **clean** water.

Your school can still help!

Even if you can't make the event on May 7th, there are still ways for you to help fund this well!

For my friends from out of town, you can always tell the schools in your community about Wells 4 Wellness and I can do a zoom call to talk with their classes! Or if you are from the QCA, I can come speak at your schools!
